

PARTNERSHIP OPPORTUNITIES

Foodwise

Custom partnerships to engage your team and your goals

Foodwise is a 501(c)(3) nonprofit dedicated to growing thriving communities through the power and joy of local food. Our vision is to inspire a world that nourishes all people, local economies, and the living earth.

For 30 years, Foodwise has created a healthy community nourished by environmentally sound, humane, economically viable, and socially just food systems. Join us in our work to bring farmers and urban dwellers of all ages together to create a world where fresh, sustainably grown food is at the center of everyone's plate, and family farming is viable for generations to come.

Why partner with Foodwise?

GET HANDS-ON WITH YOUR SUSTAINABILITY GOALS

Foodwise is at the center of the conversation about how we can work toward a healthy, just, and sustainable food system through education, advocacy, and action. Join us in creating this exciting and crucial change while putting your corporate social responsibility goals in action.

TEAM BUILDING

Enjoy a curated experience for your team that builds community, supports retention, and encourages wellness. Foodwise creates delicious, interactive experiences where your team members leave happier and more invested in their community.

GIVE BACK TO YOUR COMMUNITY

When you volunteer with Foodwise, you get a hands-on experience engaging all your senses while deepening your understanding in a healthier food system. Do you have a week of service or other volunteer initiatives? Foodwise can coordinate volunteer activities for corporate groups of 10 to 20 people.

WANT SOMETHING OUT OF THE BOX?

We're excited to work with you to create the customized experience your team needs. Foodwise's work and experience is broad and we look forward to conceptualizing a partnership that works for you.

PARTNERSHIP OPPORTUNITIES Foodwise

Hands-on classes

Foodwise offers culinary programs to connect you with local chefs, farmers, and food crafters, deepen your kitchen confidence and know-how, and build community around healthy, seasonal food. Join us at the Foodwise Kitchen in the Ferry Building for a hands-on cooking experience, or we can come to you at your company and host in your space.

Pop-up farmstand

Promote health and wellness with a one-day, pop-up farmers market experience at your office. Foodwise will create a pop-up farmstand or curate a selection seasonal produce items packed in individual tote bags for your employees with custom recipes and all the ingredients for that night's dinner!

Custom farmers market tours

Join us for a customized tour of the world-renowned Ferry Plaza Farmers Market and its diverse offering of delicious, high-quality products from California's cutting-edge sustainable growers, producers, and chefs. Go behind the scenes, meet some of our local farmers and food makers, and enjoy delicious tastes along the way.

Group volunteering

Bring your group to one of our Foodwise Teens high school partner sites to help with school garden projects, or support a Foodwise Kids field trip at the Ferry Plaza Farmers Market. Roll up your sleeves and enjoy a day of fresh air, fun, and teamwork, while supporting youth food education and giving back to your community.

Let's talk!
